LAND MATTERS | 13

LETTERS | 15

RIPRAP | 18

A neighborly memorial in Pittsburgh, food shopping in Cleveland, the Department of the Interior shows off historic landscape photographs, and landscape architects take in honors.

Edited by Linda McIntyre

RESIDENTIAL DESIGN | 24

Fair Share

A historic mansion in Minneapolis gets a new modern landscape—on just half the site.

By Carrie Ann Christensen,
Associate ASLA

ECOLOGY | 32

Creek of Dreams

A stream buried under mall parking is reborn as a giant bioswale.

By Clair Enlow

URBAN SPACES | 40

Reconnecting with the Urban Dead

A traveling scholar studies how cemeteries fit into the urban fabric.

By Aaron Odland

CENTENNIAL | 50

Hardy Perennials in Spring and Early Summer

As part of a yearlong celebration of its 100th volume, Landscape Architecture is republishing excerpts from its first issue.

By Benjamin M. Watson

ON THE COVER

Sunken Stone Garden in Source Point Park in Seoul, South Korea, was designed as a symbol of the eventual reunification of North and South Korea, page 96. Photograph by Taeoh Kim

COMMUNITY DESIGN | 54

From Gray to Green

A designer depaves San Francisco neighborhoods, encouraging stormwater to sink in and residents to enjoy nature.

By Lisa Owens Viani

TECHNOLOGY | 68

Life, Annotated

The emerging field of augmented reality adds to what we see.

By Jeff Alexander, ASLA

ICONS REVISITED | 74

Back from the Beach

In the 1970s, Florida's Pelican Bay was a model of environmental planning. What lessons does it offer designers today?

By Daniel Jost, ASLA

A View from Below

A new civic space and sculptural work in Seoul bring city dwellers back to the water.

By Robert Such
90

A New Day?

A megadevelopment in Utah provides an antidote to Salt Lake City sprawl. But does it go far enough?

By Alex Ulam

Decade of Infrastructure

The redeeming feature of the "aughts" is the attention finally brought to infrastructure.

By Alex Marshall
